## **XS Sensor Flat**

Code: 32200413

## **DATA SHEET**

## Regulations

| Regulations                        | Dir 2011 / 65 / EU   |
|------------------------------------|----------------------|
| Performance                        |                      |
| pH measuring range (max.)          | 14                   |
| pH measuring range (min.)          | 0                    |
| Temperature measuring range (max.) | 60 °C                |
| Temperature measuring range (min.) | 0°C                  |
| Feature                            |                      |
| Application                        | Superficial measures |
| Body material                      | Glass                |
| Connection                         | S7 connector         |
| Diapraghm                          | Teflon               |
| Electrolite                        | Polymer              |
| Number of diapraghm                | 3                    |
| Reference system                   | Ag coated            |
| Dimension and Weight               |                      |
| Body diameter                      | 12 mm                |
| Body lenght                        | 120 mm               |
